FEATURED PROJECTS ■

Oct - Dec 2022

● AI or Human Art? [Project Link](#)

A browser game where players guess AI arts from human arts.

- AI arts are fetched from [r/aiArt](#), while humans arts are taken from [r/DigitalArt](#) subreddit through Reddit API
- Allow users to decide which ranking algorithm (top/new/hot) they want to draw the data from

Dec 2022

● Dinner Magic Ball [Project Link](#)

A small web app for indecisive people to decide on a cuisine for their next meal

- Stimulated a 3D Magic Ball using simple CSS animations with 2D circular elements
- Made for indecisive individuals who struggle picking their meals

March 2023 - Ongoing

● Portfolio Website [Project Link](#)

My own portfolio website designed and developed with self-made assets.

- Designed with Figma, built with HTML, Javascript and styled with modern CSS responsive layouts
- Feature a variety of works from web design to other disciplines like Graphic Design, 3D Modelling, Web Development
